PROFILE:

To acquire valuable knowledge and skills to complement those that I have learned in an actual job environment. I offer my service and determination to be an asset to your company throughout the duration of my training period. To work in a challenging and dynamic environment and keep adding value to organization that I represent and serve, also concurrently upgrading my skills and knowledge. I am up for learning new things and exploring. As a fresher, I am committed to achieving organization's objectives.

About Me/Hobbies:

I like to search about different languages and short projects in my free time which helps me to upgrade myself with more knowledge. Sometimes I keep myself busy by listening songs or playing games on pc. I like to play cricket, football & badminton. I have played inter-school and intercollege cricket tournaments even tournaments organized by other organizations. I have organized and managed some social events in my society like GaneshUtsav, Blood Camps etc. I like to play instrument like Dhol-Tasha.
